"AN ADDRESS THAT
PROMISES
TO BE A SANCTUARY
FOR THE MIND, BODY
AND SOUL."

BOMAN R. IRANI

CHAIRMAN & MANAGING DIRECTOR,
RUSTOMJEE GROUP

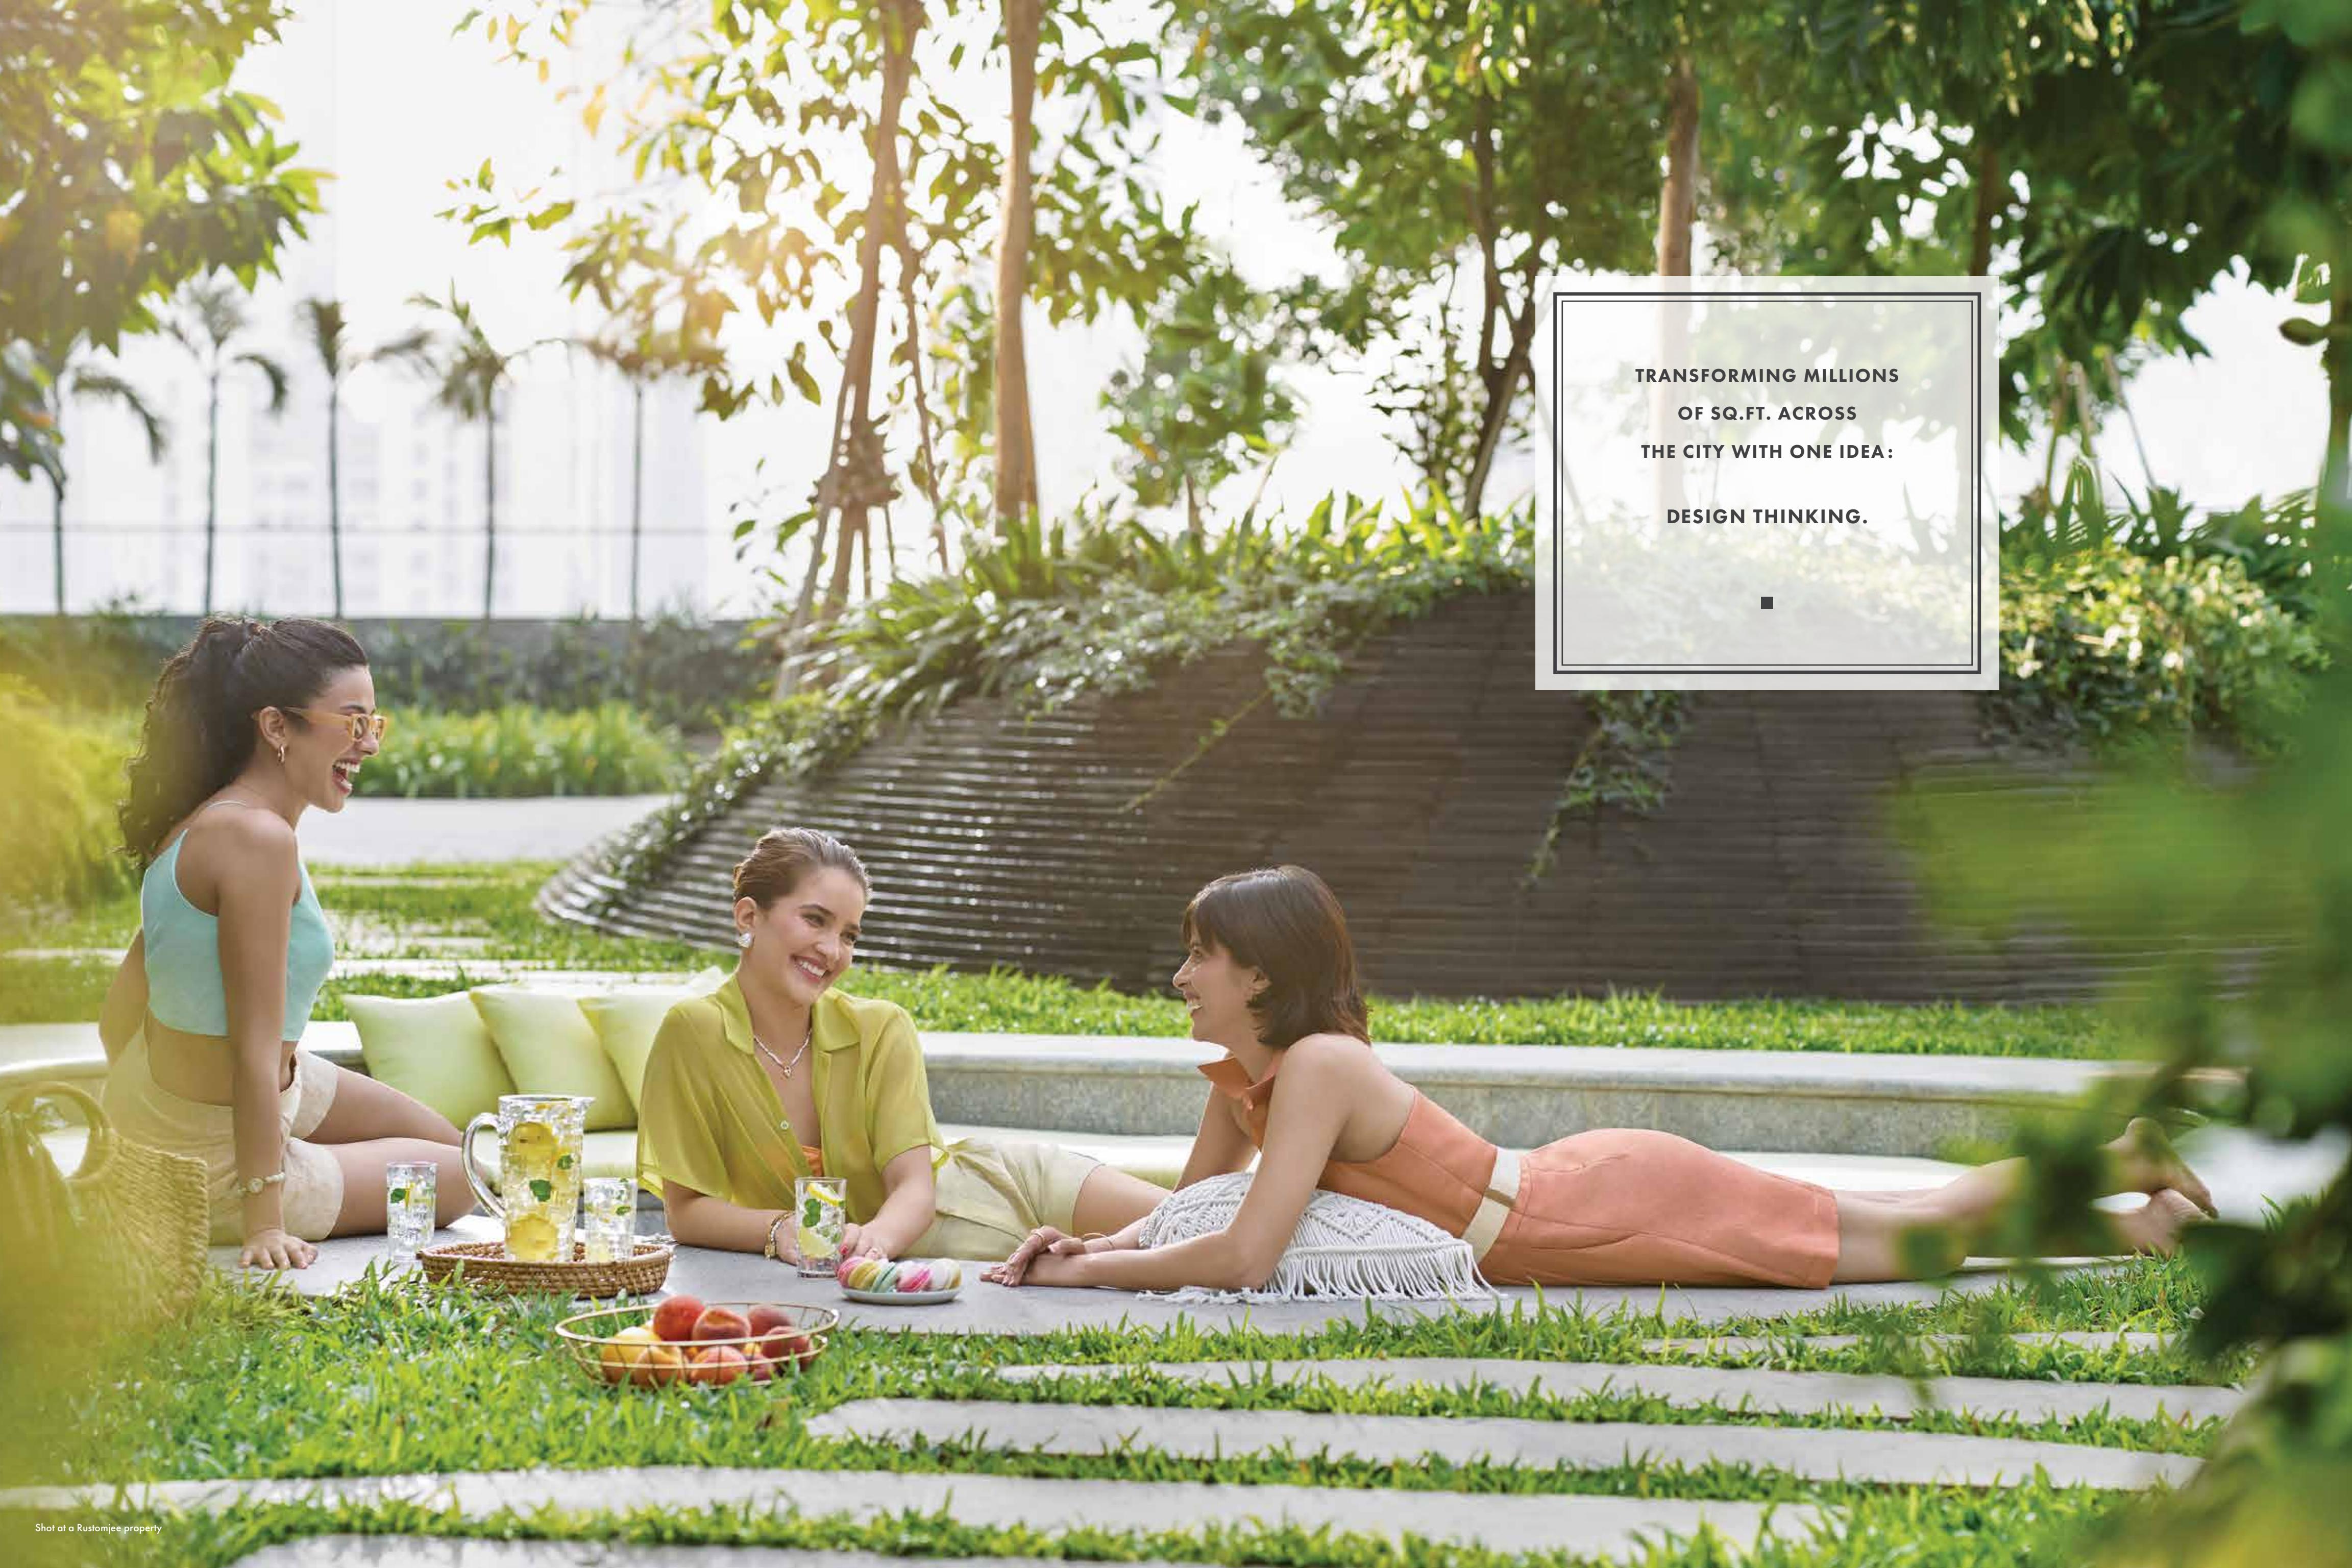

Rustomjee®
180 BAYVIEW
MATUNGA (W)

Over the years, we have endeavored to make homes that positively influence the way families live and grow.

We have created townships that offer a life not lived in square feet. A world with pools, gardens and spaces where children can play and neighbours can come together as one big, happy family. We have built landmark gated communities where weekends last the whole week, celebrations are a way of life, and every home comes with an ever growing list of friends.

Now we are all set to introduce midtown Mumbai to a whole new definition of life in the city.

Nestled in a quaint bylane of Matunga, Rustomjee 180 Bayview is where Matunga's age-old familiar charm meets a universe of covered indulgences - including panoramic sea views and lifestyle amenities spread across two levels. Here's an address that promises to be a sanctuary for the mind, body and soul.

A photograph of three women in a lush, modern garden setting. Two women are sitting on a light-colored sofa, while one woman is lying on a white, fringed rug. They are all smiling and appear to be having a conversation. In front of them is a low table with a pitcher of lemonade, glasses, and a small plate of macarons. A basket filled with fruit sits on the grass in the foreground. The background features a large, tiered wooden structure, possibly a water feature or a decorative wall, surrounded by dense greenery and palm trees.

TRANSFORMING MILLIONS
OF SQ.FT. ACROSS
THE CITY WITH ONE IDEA:
DESIGN THINKING.

Welcome to worlds co-created by architects, behaviourists, child psychologists, environmentalists, sunlight experts, interior designers, sculptors, artists and landscape designers.

A multi-disciplinary approach we like to call design thinking. Where there are hundreds of delightful square feet of adventure, discoveries, friendships, laughter, fun and family time built into the blueprint.

Where twelve hour workdays leave you with enough time for you. Getting together with your friends for a jam session under the stars or a poolside cocktail doesn't take a backseat to your commitments.

And the people next door turn into extended family over potluck picnics in the garden and friendly tennis matches.

Think of it as a human-centric experience dedicated to everything the city had forgotten about life.

A woman with long dark hair, wearing a traditional Indian sari in shades of orange and gold, is captured in a moment of intense performance. She is smiling broadly, her eyes closed in a moment of emotional expression. Her right hand is raised in a gesture of greeting or invocation, while her left hand plays the strings of a veena, a traditional Indian string instrument. She wears large, ornate gold earrings and matching gold bangles on her wrists. The background is dark, making the bright colors of her sari stand out. In the bottom right corner, a portion of another person's face is visible, showing a look of admiration or enjoyment.

ALL IN A DAY'S WORK:
CAFÉ HOPPING, ART WALKS
AND CATCHING A CONCERT JUST
AROUND THE CORNER.

A WALK THROUGH MATUNGA IS A WALK THROUGH TIME.

Matunga is a special place for more reasons than one.

It is where culture, and colonial era architecture share space
with quaint cafés and tree-lined streets.

Where a leisurely morning stroll around Shivaji Park, can take
you back to a time gone by. Wherever you go, a close-knit
community spirit animates everyday life. It is a kaleidoscope
of tradition, a melting pot of diverse cultures, and a
neighbourhood teeming with that quintessential energy that makes
the maximum city a place like no other.

A central location, with great connectivity to the suburbs and to SoBo, a spot at the pulsating heart of the city, and stunning sea views are just a few of the things that make Matunga a great address. From bustling flower markets to the city's favourite South Indian restaurants, everything is just minutes away from here. And now, to one of Mumbai's oldest and most loved pin codes, we are introducing a new era of fine living. Crafting a luxury experience replete with every imaginable comfort. A perfect symphony of heritage and contemporary lifestyle that is truly exceptional.

The background of the advertisement features a minimalist, abstract design composed of large, overlapping dark gray and black geometric shapes. These shapes include circles, ellipses, and irregular organic forms, creating a sense of depth and movement. A thin horizontal line is visible near the bottom left corner.
